

What we do

Fleet Management

GPS Tracking

Diagnostics

Safety Monitoring

Driver Management

Route Planning

Dispatching

Time Clock

System Benefits

Reduce Labor Costs

Verify work hours
Eliminate downtime

Reduce Fuel Costs

Eliminate idling & speeding
Eliminate unauthorized use

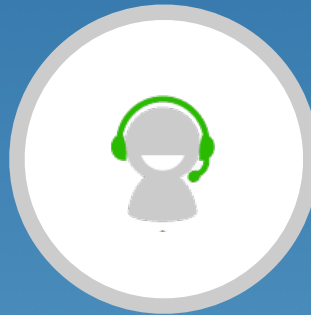

Improve Safety

Monitor unsafe driving
Recover stolen vehicles

Improve Maintenance

Vehicle maintenance alerts
Odometer logging

Improve Customer Service

Proof of service
ETA alerts

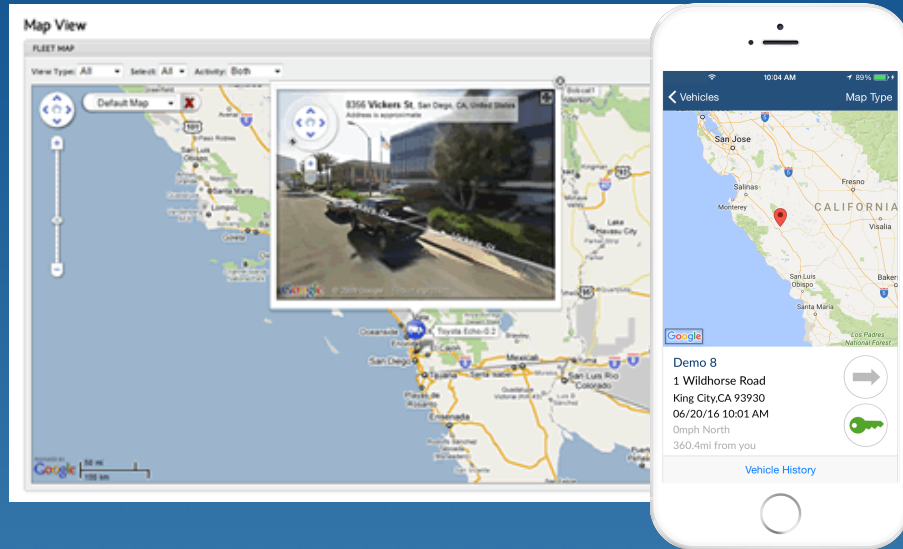

Improve Efficiency

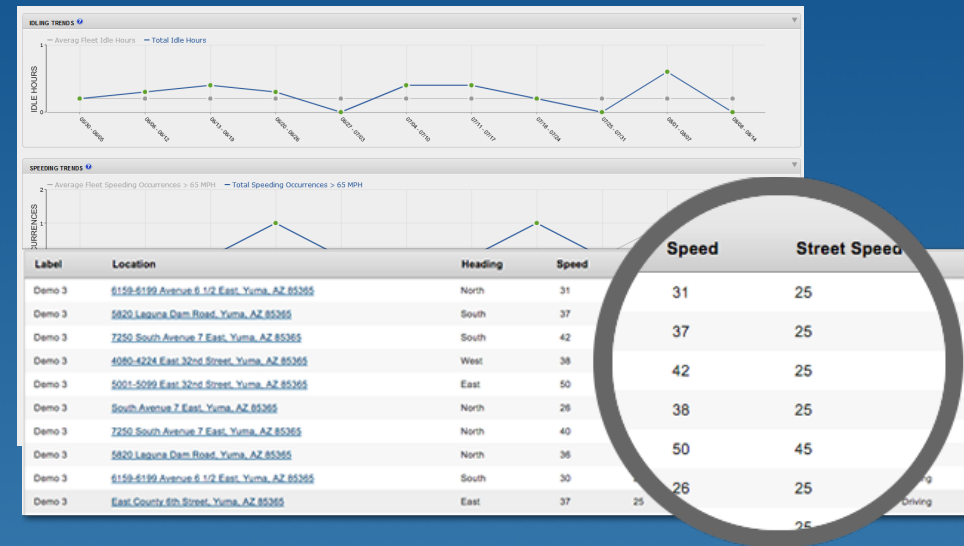

Route optimization
Dispatch to smartphones

GPS Fleet Management
